

# Business opportunity form -RBMR marketing network partner

*This business policy is reverse category system, you are read down to up ?*

*From health center & education franchise to corporate partner*

**800- district in all India**

REGD OFFI(GURUGRAM HARIYANA) ,  
WEST ZONAL OFFICE (MUMBAI), NOTH ZONAL OFFICE(NOIDA.NCR)  
Est zonal office (BIHAR)

CORPORATE PARTNER FOR TOTAL 800 DISTRICT , 2,15,000 PANCHAYT , APPROX 5000, CORPORATION. IF WE ARE COVERING 10 % OF TOTAL OUR BUSINESS TERETORY WE WILL startup more than 25000 health care center in India & cover & 20000 card holder, (member) & approx. 1000000 happy customer in India.

BUSINESS MODEL FOR “RBMR HEALTH CARE COUNCIL”

state partner get 1% to 2% of total business. every state partner contained minimum 5 district so if single district business is 6000000 per day, so 10 district get 6000000/-\*5 =30000000/- as per share statepartner can income 3000000/- to 6000000/- per day + education business profit

District partner get 2% to 3% of total business. every district contained minimum 10 block so if single block business is 600000 per day, so 10 block get 600000/-\*10 =6000000/- as per share district partner can income 120000/- to 180000/- per day + education business profit

Block partner get 3 to 4% of total business, every block contained minimum 10 center so if single center business is 60000 per day, so 10 center get 60000/-\*10 =600000/- as per share block can income 15000/- to 18000/- per day + education business profit

#### **RBMR Health Care Center**

Single health care center create minimum 5000 card member & 300 + product and services.  
So 30000 customer  
Average sale if 10 %  
 $3000*200= 600000/-$   
If sale is down on 10 % only  
So sale value is 60000/-  
We are giving minimum 10 %  
Daily income minimum – 6000/- per day

#### **RBMR Medical Vocational Training Institute**

This business policy is depend on faculties and courses  
But marketing network get profit for every business policy
